Dear Mr. Reupert,

On Monday, April 25th 2011, Scott Raabe, a veteran, came into the Yellow Ribbon Support Center to visit. During the visit Scott mentioned that he worked for Reupert Heating and Air Conditioning. It was mentioned to Scott that the air conditioning unit that is attached to Matt's room of the Yellow Ribbon Support Center, was stolen during the winter.

Scott told us he would see what he could do to assist us in this matter and would get back to us as soon as he could. On April 27, 2011 Scott came back to the Yellow Ribbon Support Center to inform us that Reupert Heating and Air Conditioning would be in on April 28, 2011 to install a new air conditioning unit for Matt's room of the Yellow Ribbon Support Center, free of charge.

Scott's dedication to this effort should be commended. As well as that of your company for the support that you have demonstrated to making this happen. Your efforts to support our veterans and those serving in the military should be commended.

With your help, and that of Scott's, our mission can continue without interruption. We truly thank you for your support of our mission....Till They All Come Home.

Sincerely,
